**UNITED STATES BANKRUPTCY COURT  
DISTRICT OF NEW JERSEY**

**NOTICE TO THE BAR AND PUBLIC**

Pursuant to a General Order of the United States Bankruptcy Court for the District of New Jersey, entered on or about March 27, 2002, the Court will implement Case Management/Electronic Case Filing ("CM/ECF") on April 1, 2002 (the "implementation date").

In order to accommodate CM/ECF, the Court further entered an Order on or about March 27, 2002 requiring that all proposed forms of order submitted subsequent to the implementation date, whether submitted electronically or conventionally, must substantially conform with the order template and accompanying directions maintained by the Court, and made available on the court's web site [www.nj.uscourts.gov](http://www.nj.uscourts.gov).

Specifically, as provided by the Court's *Administrative Procedures for Filing, Signing, and Verifying Documents by Electronic Means* (the "*Administrative Procedures*"), at paragraph II. E. 3, all proposed forms of order, whether submitted electronically or conventionally, shall be formatted in accordance with instructions provided by the Clerk. The Commentary Supplementing the Administrative Procedures at paragraph II. 5 provides:

Any proposed form of order whether submitted electronically or conventionally, must substantially conform with the order templates maintained by the Court, and made available on the Court's website [www.njb.uscourts.gov](http://www.njb.uscourts.gov). The signature line must be three inches in length and fixed at 4 inches from the left edge of the paper and 8 inches from the top edge of the paper. Signatures approving orders will be affixed electronically providing for little tolerance in this area. Orders which do not comply will be returned as defective.

All proposed forms of order submitted on or after April 1, 2002 must conform to the above referenced guidelines. A copy of the Order Template follows.
